-Natural Gas & Oil*	67%
-Coal	29%
-Purchased Power	4%
*Oil makes up less than	1%

Important Program Information for Lighting Customers

Tampa Electric is seeking approval from the Florida Public Service Commission to update its outdoor lighting program. The company has proposed a new conversion program to replace existing high-pressure sodium and metal halide fixtures with new energy-efficient LED lighting. The conversion program, which is expected to be effective in February 2018 and will take up to five years to complete, will offer updated rates and several new fixture and pole options. As part of the program, some current options will be closed to new customers.

To view rate details for all lighting fixtures and poles, please visit tampaelectric.com/rates, and select Customer Communications. If you prefer to receive a copy of the rates via U.S. Mail, please call 813-635-1500 and select Option 5 to make a request.
