Total Current Month's Charges

\$213.58

Important Messages

Important Rate Information for Lighting Customers

Effective January 2021, customer bills will increase due to rising natural gas prices, our continued investments in solar and a Storm Protection Charge. Although customer bills will increase, they will still be among the lowest in Florida and well below the national average. Visit tampaelectric.com/rates and select Customer Communications to review the January 2021 lighting rates.
