LOWER BILLS – AGAIN!

The unprecedented circumstances of the coronavirus pandemic and lower fuel costs led Tampa Electric to seek approval from the Florida Public Service Commission to lower Tampa Electric bills. All customers will see a COVID-19 fuel credit on their bills in June through August. Residential customers will see a 20 percent reduction on summer bills, including an estimated \$90 savings through December. Commercial and industrial customers can expect a total bill reduction of up to 14 to 20 percent, depending on usage and rate class through December. Tampa Electric's bills continue to be among the lowest in Florida and are more than 20 percent below the national average.
